This week we sold 2,277 head of cattle of all classes on Tuesday, March 5th. The slaughter cow & bull market continues its steady climb higher posting new record highs. Compared to last week the market would be \$1.00 to #3.00 higher. We had a good test on feeding heiferettes and heiferette types calling the market sharply higher. Stocker & Feeders posted record highs as well throughout the day. Both steers & heifers sold steady to \$20.00 higher compared to two weeks ago. A full house of buyers were in the seats with some new faces. Demand was very strong.
